OFFICIAL PAPER OF LEWIS AND

between St. Paul and | virtually settles six or seven other cases, | Helena and which at one time threatened to lead to bloodshed.

Entered at the Postoffice at Helena as second

PUBLISH THE EVIDENCE. -attention has already been called in the news columns of the INDEPENDENT the doings of the United States marshals ask his reinstatement because his poliand their deputies in Oklahoma upon the date of the opening of that section to settlement. Two marshals had joint jurisdiction in the territory at that time: one was appointed by the Cleveland adformer law partner and present attorney | consin. The Bugle's blast is well meant, general. The marshals were called upon and had it been made to apply only to by the department to explain the charge the valley whose name it glorifies there that they had acted in collusion with men who had gone into the newly opened territory in advance of its open- good ones, in Montana, which are doing ing, with deputy marshals' commissions excellent work, and of which the Bugle in their pockets but with the intention fully formed in their minds of profiting by the advantage they had in being first on the ground (from which all others were excluded until noon of April 22) to of Utah territory, occupied the same polocate homestead claims and make their sition when the stringent law for the wonfor Sarsaparilla itself filings in advance of the "common suppression of polygamy went into the title of "The greatest blood purifier ever herd." Something like forty of these force. The severity of sentences he then favored land-jumpers were employed by imposed made him the terror of the Mor the two marshals. The attorney general mons, and it is presumed his reappoint- blood purifiers. Peculiar in its phenomenal called for statements of the facts from ment means the resumption of the record of Peculiar sales abroad Marshals Jones and Needles, and both severely repressive policy made possible responded. Without making public the under the Edmunds law. tenor of either's statement, the attorney general dismissed Jones, the democrat, and retains Needles, the republican John Tanner, state treasurer of Illinois | sen trial for with and a close worker with Senator Cullom. of the same state, whose vote and that of his fellow-senator, Mr. Farwell, are like- | Carrere has taken the position. ly to be wanted in case the president should determine to nominate Attorney-General Miller for associate justice of supreme court. The accusations against supreme court. The accusations against Marshal Tom Needles were as direct and | killed. positive as those against Marshal Jones, and until the evidence in both cases is laid before the public there will be a strong suspicion that the one retained is

A Washington correspondent of the St. all the recent gossip about an appointwith which the name of Attorney-General
Miller has been most prominently connected, the fact has been overlooked that

It is a perfectly formed lamb, with two fully developed heads. The separate heads juin at the neck, both seeming to be a natural growth, as no difference between them there is an "unwritten law" governing is distinguishable. The lamb was brough to town by John Work, on whose ranch is selections which would effectually shut | was born. In trying to save the life of the out not only Mr. Miller, but Judges ewe it was found necessary to kill the lamb. Mr. Sheard has it preserved in alco-Gresham and Woods, both of whom were hol, and prizes it highly as a curiosity. ment should it not be given to the presi dent's law partner. The usage, the cor espondent shows, has been, in making an appointment to fill a vacancy, to draw from the judicial district the previous incumbent represented. Taking the existing vacancy as an example, the rec- wine on a public stand in the street in the ords show that Justice Matthews reprepresence of a hundred thousand spectators sented the district composed of the states | upon the occasion of the centennial parade of Ohio, Kentucky, Tennessee and Michi- in this city, has been seized upon by the gan. Judge Matthews was appointed from Ohio, and his immediate predeces- good but unsophisticated persons, as "a sor was Judge Swayne, also of Ohio; he, rebuff to the rum power." again, succeeded Judge McLean, of Ohio; What utter rot! If grim old Thomas he, Judge Trimble, of Kentucky, and he, | Carlyle were alive in America to-day even Judge Todd, also of Kentucky. This his tremendous scorn of Cant would fail of takes the line back to the presidency of expression before the examples afforded Thomas Jefferson, and may justly be held to establish a precedent. But there are at least two other associate-justice-ships that show as direct a line of succession. The predecessors of Justice Blatchford were all residents of New York, and were Ward Hunt, Samuel Nelson Smith Thomasson and Beach Line of Smith Thomasson and Smith Line of Smi son, Smith Thompson and Brockholst Livingston. Justice Gray presides over the New England district, and has been preceded by Judges Clifford, of Maine; Curtis, of Massachusetts; Woodbury, of New Hampshire, Steward Woodbury, of New Hampshire, Stew Hampshire; Story, of Massachusetts, and Cushing, of Massachusetts. But for all these precedents, which to most presidents would constitute an "unwritten" the wine room is untaxed; who preach prohibition for other people to the popping of their own champagne bottles, and who stop the public's omnibuses on Sunday, though not their own carriages—it is this Hampshire; Story, of Massachusetts, and dents would constitute an "unwritten nauseating and dishonest cant which law," it would not be at all surprising if the present attorney general should be at no distant date translated to the supreme bench as the successor to a line of bowels may often be corrected by taking Ohio and Kentucky justices. Gen. Har- only one of Ayer's Pills. Through not rison has on several occasions shown having the Pills at hand your disorder increases, and a regular fit of sickness follows. "For the want of a nail the shoe in appointments of office, as when he was lost," etc. made a brother United States marshal for one of the Tennessee districts, dropped a ripe, rich plum into the mouth of one relative by marriage when he gave him | canal is blocked up by reason of constipaa place on the Utah commission at a tion, chronic or temporary. It should be salary of \$5,000 a year for two or three | borne in mind that this ailment is prone to days' work, and bestowed a comfortable be lasting and obstinate, and breed other berth in one of the departments upon and worse complaints. Hostetter's Stomach Bitters is the precise remedy to remove the obstruction effectually, but without another relative by marriage. Mr. Miller was for a long time the law partner of Gen. Harrison, and that fact is likely which are among the most pernicious of

The cry that the railway mail service needs reoganization received a black eye, if the figure of speech may be used, by the blunder of Montana's delegate to congress, when he induced the department to remove a clerk who was found in office, the supposition being that he Herod of Wanamaker, the poor railway mail clerk serving as the John the Baptist of the occasion, has been obliged to admit that in one case at least the ser-
